PURPOSE:

The purpose of this series of five (5) public meetings is to present the draft Kaua'i Water Use and Development Plan (KWUDP) Update and its findings.

The intent of this series of meetings is to create an understanding of the purpose and intent of the KWUDP Update and the context in which it is being developed. The public meetings give the community an opportunity to provide feedback and express any concerns that they may have about the KWUDP Update. No members of the public attended this meeting.

The draft KWUDP Update is posted on KauaiWater.org/KWUDP.asp.

NEXT STEPS:

Fukunaga will brief the Commission on Water Resource Management (CWRM) and revise the KWUDP Update based on comments received from these public meetings and the CWRM briefing. The Pre-Final KWUDP Update will then be presented to the Kaua'i Board of Water Supply, then to CWRM for adoption. It is noted that the CWRM adoption process also includes public hearings.
